Case No. AP-90-06

By motion filed March 16, 1990, Jeyasingh Vedamuthu trading as Medwheels (applicant) requests issuance of a subpoena directed to Ms. Janice Anderson, chief of program operations and research, Office of Health Care Financing. The motion states that applicant plans to transport participants of the District of Columbia Medicaid program and ". . . accordingly, it is necessary to subpoena a representative of the said program to testify." The motion, however, fails to set forth the relevance and scope of the proposed testimony, as required by Commission Rule No. 18.

For this reason, applicant's motion will be denied without prejudice.

IT IS SO ORDERED.
